EVALUATIONS

The Student Evaluation of Teaching (SET) can productively inform ~~faculty~~ regarding teaching effectiveness in particular areas. In gauging teaching effectiveness, however, SETs are not ~~sufficiently robust instruments~~ to be used as the sole criterion of teaching for disciplinary measures, promotion, tenure or reappointment, or for non-reappointment with respect to full-time faculty. However, the prohibitions of this Article shall not be applicable to adjunct faculty. ~~In no case shall SETs be used as the only instrument in the evaluation of a faculty member's effectiveness in teaching. Any new SET-like teaching evaluation instrument must be cleared by UConn-AAUP.~~
